

**Travel Grants for Former CEG Recipients
Request for Proposals
IUPUI Center for Teaching and Learning**

Purpose: The purpose of the **Travel Grants for Former CEG Recipients** is to provide past recipients of Curriculum Enhancement Grants (CEG) with additional funds to support travel to either further disseminate results of the original CEG project beyond what was supported on the original grant or to support dissemination of work that is an extension of the original project.

General Information: All past CEG principal investigators or co-principal investigators who have completed their CEG projects are eligible to apply, but awards will be limited to \$1,000 per project. CEG Travel Grants will be competitive. Grant funds will be awarded when the recipient has provided documentation that the presentation has been accepted and the recipient has registered for the meeting. Recipients will be expected to submit a report after their travel is complete.

Application: Answer the following questions in the order shown, indicating the number of the question being answered. Completed applications should be emailed to thectl@iupui.edu with the subject: CEG Travel Grant Application. The application deadline is January 24, 2014.
